

County School News.

Come, let us live for our children.

If an unkind word appears
File the thing away.
If some novelty in jeans
File the thing away.

If some clever little bit
Of a sharp and pointed wit
Carrying a sting with it
File the thing away.

If some bit of gossip come
File the thing away:
Scandalously spicy crumb
File the thing away.

If suspicion come to you
That your neighbor isn't true,
Let me tell you what to do—
File the thing away.

DO THIS FOR A LITTLE WHILE
THEN GO OUT AND BURN THE FILE.

Anybody can make an excuse—it takes a somebody to make good.

Miss Bertha Lawrence and her brother made us a pleasant business call Wednesday. We are glad to welcome Miss Lawrence as one of our teachers. We sincerely hope that she may be as successful here as she has been in the eastern part of the state, and that our relations so pleasantly begun may continue.

For the child in school there are three R's—'Readin', 'ritin' and 'rith-methic. For the teacher there are three B's—Be Bright, Be Brave, Be Busy. As is the teacher so is the school.

A scientist in London says that the white race will disappear, eventually, and its place be taken by the negro people.

Miss Gladys Allphin left Monday for her home in Pratt. We will surely miss her. She will teach in Pratt county this year at the little town of Coats. Several friends accompanied her to the train. We wish her abundant success.

Misses Grace and Aetna Higgins and Mr. Wm. Augerot called on business Wednesday. Miss Aetna is planning to graduate next spring and be ready for high school in the fall. She will study all summer so that her grades may be high. She is fitting herself for the teaching profession and we hope she may realize all her aims and plans. She is just thirteen and will be 14 when she graduates. Then four years of high school and she will be old enough and know enough, if she works as diligently in high school as she has in the common schools, to make a good teacher.

Give an important event in each decade since Kansas was admitted as a state. 1890—1870, the Quantrell Raid; 1870—1880, Biennial Sessions of the Legislature Provided for; 1880—1890, The Municipal Suffrage Bill Became A Law; 1890—1900 Legislative War; 1900—1910 An Act of The Legislature Making Eight Hours A Working Day.

Our State Superintendent, Prof. Fairchild, writes us that he will try to be with us during the normal. We are pleased to receive this information.

The common school graduating exercises will be held some time during July. We wish all those who have graduated from the common schools this year would send us their choice of a motto and of a flower and also their choice of two colors. A few have already done so. Will the others send as soon as possible.

The following is the list of names of the graduates from the common schools: Maude Fuest, Ruth Wol-

ley, Blanche Fuest, Maude George, Edna George, Laura Malone, Erma Clark, Ada Malone, Grace Bunting, Ella Kern, Mabel Evans, Opal Jensen, Mildred Harnden, Lucy Grant, Mary Belle, Eva Stout, Alma Jer-man, Maurice Craig, Robert Burch, Noma Swink, Walter Williams, Myron Nelson, Susie Palmer, Eugene Shelton, Violet Wilson, James Rugg, Allen George, Irwin Gilbert, Rachel Hart, Gertrude Jones, Fern More-head, Owen Jester, Hugh Bunting, Hugh Funk, Willie Brier, Vergne Harnden, Harold Sutton, Hiram Jarrett, Berrie Smith, Ralph Erlewine and Butler Wood.

The examination which the above named pupils of the common schools took in March, April and May was sent out from the office of the state superintendent and was prepared by the state board of examiners. We congratulate these graduates on their success.

Miss Mildred Harnden of school district No. 27 made the highest average in the county—91 and seven-elevenths. Miss Mildred is just 15 years old. Her teacher this year was William Rusco. Her lowest grade was 79 in Grammar, and her highest were 100 each in arithmetic and Geography and 99 in Spelling. Seven or eight of the denominational schools of Kansas have offered free scholarships to the pupils making the highest average in the various counties of the state. The pupils are given their choice of denominational schools. Mr. and Mrs. Harnden belong to the United Brethren church, and they hope to send their daughter to the Campbell College at Holton; that being the denominational school of the United Brethren in Kansas. If she does not go to Holton, we hope she may be able to come to the Barnes high school in Liberal. We congratulate Miss Mildred for carrying off the honors in Seward county this year. Last year Miss Inez Morrell of the Wideawake school won the honors in this county and she has attended the high school in Liberal the past year.

Maurice Craig, a pupil from joint district No. 8, made the highest average among the boys—89 and three elevenths. His lowest grade was 80 in Constitution and his highest were 99 in Classic, 99 in Arithmetic and 93 in Geography. Maurice is 16 years old. His papers were among the neatest and best handed in. Miss Mattie Wallace was his teacher last year and Mr. Frank Swink the year before. We congratulate Maurice on leading the boys of Seward county in this year's graduation.

Boys and girls of the graduating class of 1911, do not think that your education is complete because you have finished the common schools of our state. We hope to see every one of you back in school next year—reviewing in the common schools, in the Liberal high school, at Manhattan in the Agricultural College, or in some other good school, either public, private or denominational. A good education is of more value than money. Don't stop now—go on.

The following named teachers claim the honor of turning out graduates from their schools the past year: Kelda Davis, Nora Shaw, Mattie Wallace, Rhoda Rosel, Vivian Jones, Mrs. Eva Dodd, Wm. Rusco, Frank Swink, Fred Taylor and Florence McGregor. We thank teachers, parents and

graduates for the work so well done the past year. May the work of the coming year bear as good fruit. Let us remember: "In due season we shall reap if we faint not."

Will the district treasurers kindly send in their reports as soon as possible. The business transactions of the districts are about ended for the year 1911.

District clerks will receive their supplies this week. We are awaiting some large envelopes in which to send same to clerks. Please make out all reports in full.

We earnestly desire every teacher and every prospective teacher in the county to make an effort, an extra effort, to attend the Seward county normal institute to be held in Liberal from July 3rd to 28th. We have secured good instructors and promise the teachers that the time spent at the normal will greatly assist them in their calling.

Ideas are like stars we will not succeed in touching them with our hands, but like the sea-faring man on the desert of waters; we choose them as our guides, and following them we reach our destiny.

Cupid has been at work again in our city and among our teachers. Miss Florence McGregor of this city was married Wednesday evening to Mr. Walter Ford of this city. We don't blame Mr. Ford for taking from us one of Seward county's prettiest teachers, but we are sorry to lose her from our teaching force. She taught a successful term of school last year in Kismet and we were planning for greater things. We congratulate Mr. Ford on his charming bride and hope his journey on the sea of matrimony may be as pleasant and successful as his courtship days have been.

Eureka Items.

8 miles south and 3 miles west of Liberal.) The Children's Day exercises held at Eureka the first Sunday in June were very good. The children acted their part nicely, showing that they had been carefully trained. Evangelist Lawrence was heard to remark that it was the best Children's Day entertainment he had ever had the pleasure of witnessing.

We are having very warm weather now and are greatly in need of a good shower.

Mrs. W. A. King called at C. E. Morehouse's Saturday afternoon.

Mrs. V. Capps spent Saturday afternoon with Mrs. S. A. Capps.

The Methodist Episcopal church at Eureka was organized this week with twenty-one members, mostly heads of families. Bro. Lawrence, Evangelist for the Pratt District Conference, and Bro. R. H. Williams, pastor of the Liberal Circuit, have just closed a two weeks' meeting that was an awakening and unifying blessing to the community. Beginning June 25, Pastor Williams will preach regularly every two weeks at 10 o'clock a. m. On the alternating Sundays Bro. M. M. Maricle will preach at the same hour.

C. H. Morehouse is on the sick list this week.

Baptismal services were held at Mrs. Hood's home at 3 o'clock Sunday afternoon.

A number of Eureka people attended the Children's Day exercises at Sunshine last Sunday evening. They report a good program that was much enjoyed by all.

Hosea Milburn informs us that he lost six head of fine young cattle last week, by using vaccine which was sent out by the state department at Manhattan. It does seem as if the state should be responsible for the "dope" sent out, and we believe it should be required to pay for the animals killed by using it.—Richfield Monitor.

Your Neighbor's Experience

How you may profit by it. Take Foley Kidney Pills. Mrs. E. G. Whiting, 360 Willow St., Akron, O., says: "For some time I had a very serious case of kidney trouble and I suffered with backaches and dizzy headaches. I had specks floating before my eyes and I felt all tired out and miserable. I saw Foley's Kidney Pills advertised and got a bottle and took them according to directions and results showed almost at once. The pain and dizzy headaches left me, my eye-sight became clear and today I can say I am a well woman, thanks to Foley Kidney Pills." Sold by all Druggists.
